

## WOODFIBRE LNG COMMUNITY OFFICE ON THE MOVE!

DECEMBER 11, 2018

SQUAMISH, BC – The Woodfibre LNG Community Office will be starting off the new year in a new location. As of January 1, 2019, we'll have an office space at the Aligned Collective at 201-38085 Second Avenue in Squamish.

To set up an appointment with a member of the Woodfibre LNG team, simply call 1.888.801.7929, or email us at [info@woodfibrelng.ca](mailto:info@woodfibrelng.ca). For snail mail, you can reach us at PO Box 2060, Squamish, BC, V8B 0B4. Plus, we're available online at [woodfibrelng.ca](http://woodfibrelng.ca), [askwoodfibrelng.ca](#), Facebook and LinkedIn.

We plan to be at the Aligned Collective for approximately six months, when we'll move into a new construction office (negotiations are currently underway).

### Quotes

*Aligned Collective Board of Directors*

"Aligned Collective is pleased to have another business renting our space which will allow us to continue to provide reasonably-priced coworking and event space in Squamish."

*Jennifer Siddon, Assoc. VP, Corporate Communications, Woodfibre LNG Limited*

"The fact that Aligned Collective is able to lease us a temporary home until we move into our new Project construction office underscores what a valuable service the Aligned Collective is to businesses, contractors and community groups in Squamish."

### About

#### **Aligned Collective**

Aligned Collective is the newest and largest coworking space in Squamish that provides private offices, coworking spaces, event space, education opportunities, space for dialogue, and community engagement initiatives. AC offers space for freelancers, contractors, independent business owners, and both early stage & established startups.

#### **Woodfibre LNG Limited**

The Woodfibre LNG Project is located approximately 7 km west-southwest of Squamish, British Columbia. It involves the construction and operation of a liquefied natural gas (LNG) export facility on the previous Woodfibre pulp mill site, which would have a storage capacity of 250,000 m<sup>3</sup> and would produce approximately 2.1 million tonnes per year of LNG. Woodfibre LNG Limited is a privately held Canadian company based in Vancouver, and a subsidiary of Pacific Oil & Gas Limited.
