

## News Release

### **COMBATTING COVID-19, APICAL DUMAI SUBMITS PPE TO DUMAI HOSPITAL**

**Dumai, 22 April 2020** – PT Sari Dumai Sejati (Apical Dumai) handed over personal protective equipment (PPE) to the Dumai General Hospital to support health workers caring for Covid-19 patients.

The donation distributed by Apical Dumai on Wednesday is part of the Tanoto Foundation's commitment to support Indonesian medical personnel combatting Covid-19, in the form of 1 million masks, 1 million gloves, 3,000 glasses and 100,000 ICU and non-ICU protective clothing.

For the city of Dumai, Apical Dumai donates a total of 1,000 protective clothing / hazmat, 10,000 masks, 10,000 gloves, 50 medical goggles that will be delivered in 3 stages. The first delivery is handed over by Alvin Yulityas Sandy, Head of SSL Apical Dumai to the Mayor of Dumai, H. Zulkifli U.S.

"Through this contribution, we hope that all Indonesian health heroes can be supported so that they can work optimally in carrying out their duties, while at the same time protecting themselves from the risk of Covid-19 transmission", Sandy said.

"We really appreciate the willingness, courage and struggle of every medical staff to deal with patients suffering from Covid-19. This is a concrete manifestation of humanitarian action in these difficult times. We are sure that together we will face and overcome this", Sandy added.

In providing this support, Tanoto Foundation collaborates with Apical Dumai which is part of RGE Indonesia.
